

Savoring the Word – March 6-12, 2017

Luke 13:1-9, 31-35

While you savor the word this week give some time to reflect on the scripture verse or verses that really stand out to you. Think about them throughout the week. Let those words grow inside you. Here are some additional daily questions to meditate on:

Monday- Where is repentance needed in your life? What steps can you take toward personal repentance in this area?

Tuesday- Where is repentance needed in this world? How can you be a part of that repentance?

Wednesday- Think of your life as a garden. Who are the people in your life toiling the soil and helping you blossom? Send a prayer up for them today. Or ask God to send them to you!

Thursday- Jesus know his calling and stuck to it. Reflect on your calling today. What is it? Are you walking in it? Do you need further clarity or confirmation about? Lift these things up in prayer today.

Friday- Where is God at work in your life? Praise God for that work throughout the day.
